**Date:** Monday, March 25, 2013 3:57:58 PM

---

Gary – As we have discussed, we would like to schedule a WebEx meeting with you to provide a preview of the remedial alternatives we are considering for the San Jacinto Feasibility Study. Are you available on Thursday, March 28<sup>th</sup> for that type of meeting? If so, would anyone else from EPA be participating in the meeting? We would like to keep this initial meeting fairly small if possible.

Thanks,  
David
